Dear Principal and teachers

02/09/2021

Greetings from CKSC !!!!!

We are aware that MCQ Exams test candidate's understanding of the content in a broader range than traditional style of evaluation. Multiple Choice Questions test, not only basic concepts but also intricate details of the subject. Preparation of MCQ requires thorough understanding of the content, language mastery and above all logical reasoning. It is in this backdrop, CKSC is organizing a virtual session to help principals and teachers how to prepare scientifically and technically accurate MCQ. Orientation Session will be led by **Ms.Pooja Bose**, Principal, The High Range School, Munnar. A maximum of 10 participants can attend the programme from each CKSC school. Kindly forward to CKSC Principal Group the number of participants from your school.
